John Sasen’s leadership and commitment to the distribution industry and HIDA spanned four decades. He embodied the ethics of service, commitment and leadership.

To honor and celebrate his immeasurable contributions to the distribution industry, HIDA is announcing a change in its most important award. Beginning in 2013, the HIDA Industry Award of Distinction will be renamed the John F. Sasen Leadership Award.

The John F. Sasen Leadership Award will recognize exceptional individuals who demonstrate the leadership qualities, commitment and service that made John Sasen an icon in our industry.

The award will be presented each year at the Chairman’s Dinner at HIDA’s Streamlining Healthcare Conference.
